BAIL SCHEDULE FOR INFRACTIONS AND MISDEMEANORS

GENERAL PROVISIONS

The following state codes have a single bail amount for all **misdemeanor** offenses within that code:

CODE	UNIFORM BAIL
Civil Code	\$250
Code of Civil Procedure	\$250
Education Code	\$250
Election Code	\$250
Financial Code	\$250
Food and Agricultural Code	\$500
Government Code	\$250
Insurance Code	\$250
Labor Code	\$250
Public Utilities Code	\$1,000
Revenue and Taxation Code	\$250
Streets and Highways Code	\$100
Unemployment Insurance Code	\$250

Unlisted Misdemeanors

For all offenses chargeable as straight misdemeanors for which there is no uniform bail and which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$500**, except that if the minimum fine for the offense (not including any penalty assessments) is greater than **\$500**, then the bail is the amount of the minimum fine.

For all offenses chargeable either as a felony or a misdemeanor (“wobblers”) for which there is no uniform bail and which are not otherwise provided for in this schedule, the bail is **\$750** (not including any penalty assessments), except that if the minimum fine is greater than **\$750**, then the bail is the amount of the minimum fine.

All violations of County ordinances constituting misdemeanors for which no provision is made in this schedule shall have bail of **\$250**. All misdemeanor violations of the California Code of Regulations for which no provision is made shall have bail of **\$125**, except that if the minimum fine for the offense (not including any penalty assessments) is greater than **\$125**, then the bail is the amount of the minimum fine.

Unlisted Infractions

For all violations of state statutes, provisions of the California Code of Regulations or County ordinances constituting infractions, which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$35**, except that if the minimum fine is greater than **\$35**, the bail shall be the amount of the minimum fine.

GENERAL PROVISIONS (continued)

Arrest Without Warrant

When a defendant is arrested without a warrant and charged with more than one misdemeanor offense (other than Vehicle Code violations), the defendant shall be entitled to his release upon posting bail in a sum equal to the highest bail fixed for any one single offense with which he may be charged.

Penalties

"P." designates the penalty, state penalty, or additional penalty required by Penal Code Section 1464. When an offense listed in this schedule requires a court appearance ("Ct."), the assessment shall not be added to the bail amount. Upon conviction, however, the assessment shall be added to the fine imposed.

As provided by Penal Code Section 1464, Government Code Section 70372(a) as modified by Government Code Section 70375(b), and Government Code Section 76000, an additional assessment of **\$20** is to be added to "every ten dollars (**\$10**) or fraction thereof, upon every fine, penalty or forfeiture imposed and collected by the courts for criminal offenses, including all offenses, except parking offenses, as defined in subdivision (i) of Section 1463, involving a violation of a section of the Vehicle Code or any local ordinance adopted pursuant to the Vehicle Code."

Government Code Section 70372(a) requires imposition of a state construction penalty for every fine, penalty, or forfeiture collected by the courts for criminal offenses, including but not limited to all offenses, except parking offenses, as defined in Penal Code Section 1463 and violations of the Fish and Game Code and Vehicle Code or local ordinance adopted pursuant to the Vehicle Code. Section 70372 specifies the maximum court construction penalty of \$5 for every \$ 10, or fraction thereof, of the criminal fine, penalty, or forfeiture. Government Code Section 70375(b) specifies that the \$5 court construction amount authorized by 70372(a) is reduced by the amount collected for deposit into the local Courthouse Construction Fund established pursuant to Government Code section 76100. A court construction penalty of **\$3** for every \$10 of the base fine is used to calculate that penalty and the total bail.

Penal Code section 1464(b) provides that in the case of multiple offenses, the amount of "additional penalties" is to be determined by the total base bail or fine for all the offenses cited, and if the fine or base bail is suspended in whole or part, the "additional penalties" shall be reduced in proportion to the amount of suspension.

Penal Code Section 1465.7(a) requires imposition on criminal offenses of a state surcharge equal to 20 percent (**20%**) of the base fine used to calculate the state penalty assessment as specified in Penal Code section 1464(a). Penal Code Section 1465.7(b) requires that the surcharge be imposed in addition to the state penalty assessment pursuant to Penal Code Section 1464 and not be included in the base fine used to calculate the state penalty assessment as specified in Section 1464.

Parking

An "additional penalty" of **\$5** shall be included in the total penalty for a parking offense (Government Code Section 76000).

Abbreviations

"Ct." designates "court appearance."

"I" designates "infraction."

"M" designates "misdemeanor."

"P" designates "penalty." See above for further information on penalties.

GENERAL INFORMATION

Unlisted Misdemeanors

For all violations of the State Vehicle Code or Title 15 of the Los Angeles County Code constituting misdemeanors, which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$300**, except, if the minimum fine is greater than **\$300**, the bail shall be the amount of the minimum fine.

Unlisted Infractions

For all unlisted Vehicle Code infractions, including unlisted subdivisions, the bail is the amount set for the general category of those offenses in the Uniform Traffic Bail and Penalty Schedule, except that if the minimum fine is greater than the amount indicated below, then bail is the amount of the minimum fine:

Category 1	\$25	Bicyclist, Motorized Scooter, Pedestrian Offenses; Vehicle Registration and Equipment Offenses
Category 2	\$35	Driver's License and "Rules of the Road" Offenses
Category 3	\$70	Substance Abuse Infractions

For all violations of Title 15 of the Los Angeles County Code constituting infractions, which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$35**, except that if the minimum fine is greater than **\$35**, the bail shall be the amount of the minimum fine.

Arrest Without Warrant

When a defendant is arrested without a warrant for more than one misdemeanor offense, the defendant shall be entitled to his release upon posting bail in the sum equal to the highest bail fixed for any one single offense with which he may be charged.

Prior Offenses

The indicated bail/penalty is for a single offense that is assessed "points" on a current arrest or citation. The penalty for a Vehicle Code offense shall be enhanced by **\$10** for each "prior" conviction. For the purpose of penalty enhancement, a "prior" is any conviction of a Vehicle Code offense for which a "point" has been assigned per Vehicle Code §§12810 and 12810.2.

An offense for which one or more points have been assigned is identified by an exclamation mark "!" in the "P" (penalties) column.

In the case of an owner responsibility citation (see Vehicle Code §40001(a, b)), the "prior" must relate to the particular vehicle for which the new offense is charged.

Bail on Accident Cases

Bail shall be set as for underlying violations.

VEHICLE CODE

Penalties Column

"P." designates the penalty, state penalty, or additional penalty required by Penal Code Section 1464. When an offense listed in this schedule requires a court appearance ("Ct."), the additional penalty shall not be added to the bail amount. Upon conviction, however, the additional penalty shall be added to the fine imposed.

For Vehicle Code offenses, the Penalties Column includes the symbols designating point offenses ("I") and offenses which may be charged as occurring either in a highway construction or maintenance area, or in a safety enhancement – double fine zone. ("✚").

Parking

An "additional penalty" of **\$5** shall be included in the total penalty for a parking offense (Government Code Section 76000).

Court Appearances

With the exception of juveniles under age 18, there shall be no mandatory court appearance required for any infraction of the California Vehicle Code punishable by fine only, unless a statutory driver's license restriction, suspension, or revocation is authorized by the Vehicle Code. This does not apply to violations of local ordinances based on Vehicle Code sections.

Abbreviations and Symbols

"Ct." designates "court appearance."

"I" designates "infraction."

"M" designates "misdemeanor."

"P" designates "penalty."

"E. P.C." designates eligible for "proof of correction" or "compliance." When the citation indicates that it is issued in accordance with Vehicle Code section 40610(b) and proof of correction is submitted within the time limitation specified in the citation or any continuance granted, the violation shall be dismissed as provided for in Vehicle Code section 40522. Vehicle Code section 40611 authorizes courts to collect a \$10 transaction fee for each proof of correction case. No bail amount shall be collected.

"I!" designates a Vehicle Code offense for which one or more points have been assigned pursuant to Vehicle Code §§12810 and 12810.2.

"✚" designates those offenses which may be charged as highway construction or maintenance area offenses (V.C. §42009) or as safety enhancement – double fine zone offenses (V.C. §42010).

Highway Construction or Maintenance Area Offenses (V.C. §42009) and Safety Enhancement – Double Fine Zone Offenses (V. C. §42010)

Infractions - Bail shall be increased by **\$ 35**, with the exception of speeding violations listed in the Speed Violations Bail Chart: Applicable Violations. Bail for speeding violations is indicated on the chart entitled "Increased Bail Amounts for Violations in Highway Construction Zones (Section 42009)", and on the chart entitled "Increased Bail Amounts for Violations in Safety Enhancement Zones (Section 42010)."

Misdemeanors - Bail shall be **doubled** for violations of the following statutes: sections 23103(a,b), 23104(a), 23109(a-d), 23152(a-d), 23153, 23222(b), and 23224(a,b). (Uniform Traffic Infraction Bail and Penalty Schedule, January, 2003).

VEHICLE CODE

State Penalties for Safety Enhancement – Double Fine Zone Offenses (V.C. §42010)

Any additional penalty, forfeiture, or assessment imposed by any other statute shall be based on the amount of the base fine before enhancement or doubling, and shall not be based on the amount of the enhanced fine imposed per Vehicle Code §40210.

Evidence of Financial Responsibility

Pursuant to subdivision (e) of section 16028, upon submission of evidence of financial responsibility, in a form consistent with Vehicle Code section 16020, showing that the driver was in compliance with that section at the time the notice to appear for violating subdivision (a) of Vehicle Code § 16028 was issued, further proceedings for the violation shall be dismissed and no bail amount shall be collected.
